

THE CAIRO DAILY BULLETIN, SUNDAY, SEPTEMBER 17, 1871.

HOOFLAND'S BITTERS

THE BULLETIN.

Publication Office, Bulletin Building, Washington Avenue.

NOTICE.

[From Sec. 3, Ordinance No. 112—Extract.]
It shall be the duty of the city controller to provide the means for removing from the front of all houses in the city all vegetables and dry kitchen oval, of every description, provided the same is placed in boxes or barrels, and placed in convenient locations in front of said houses, before the time fixed for such removal; and that notice shall be given by said controller of the time of such removal, by publication in the newspaper publishing the ordinances of the city.

In compliance with the above ordinance, notice is hereby given that carts will run in all parts of the city on Tuesday and Friday of each week during the month of September. To whom desirous of removing their property, it is recommended to have it packed in boxes or barrels, and placed in convenient locations in front of their houses, before the time fixed for such removal.

E. A. BURNETT,
City Comptroller.

THE NEW WILSON.—Smith & Blomley, corner Commercial Avenue and Eighth street, are selling the New Wilson Under-Feed Shuttle Sewing Machine, the best and cheapest machine in the world. It is sold \$20 cheaper than any other machine. Some of the many advantages claimed for it are as follows:

1st. It is as durable, well finished, and costs as much to manufacture as other first-class machines; but sells for \$20 less.

2d. For hemming and felling it is unsurpassed.

3d. That it is the simplest shuttle machine made.

4th. It has less wearing parts.

5th. It has no grooved cams, tall joints compound cranks, or cog wheels.

6th. It is adapted to a larger range of work, without change, than any other machine.

7th. It is the only machine that can be used for hemming, felling, and other operations of great

difficulty.

8th. It is the only machine that can be used for hemming, felling, and other operations of great

difficulty.
